

# Creating an Observer Account

1. Go to <https://bedfordco.instructure.com/login/canvas>. Save this web address so you can log in after you have created your account.

2. Click on Parent of a Canvas User?

3. Fill in the necessary information. Your student will provide you with the pairing code. The pairing code allows you to see your student's courses. Pairing codes are student-specific!

A screenshot of the "Parent Signup" form. The form is titled "Parent Signup" and has a close button (X) in the top right corner. It contains several input fields: "Your Name", "Your Email", "Password", "Re-enter Password", and "Student Pairing Code". There is a link "What is a pairing code?" next to the "Student Pairing Code" field. At the bottom, there are three buttons: "View Privacy Policy", "Cancel", and "Start Participating".

4. If you have more than one student, you can put in additional pairing codes once you have logged in.
  - a. Click on Account
  - b. Click on Settings
  - c. Click on Observing
  - d. Type in the Pairing Code and add Student.
5. Be sure to download the Canvas parent app in the App Store or Google Play to access Canvas on your mobile device. Students can also download the Canvas Student app.
